

# Tentative Fall Co-op

| Grades   | Hour | Class   | **Cost | Description  | Additional Information  |
|--|------|---|--------|--|---|
| NA   | 1st  | <i>Nursery</i>  | \$0    | Supervision/care of babies/toddlers  | Moms not teaching or assisting in a class will be assigned to Nursery |
| NA   | 2nd  | <i>Nursery</i>  | \$0    | Supervision/care of babies/toddlers  | Moms not teaching or assisting in a class will be assigned to Nursery |
| 4k-1 <sup>st</sup><br>Class Size: 10<br>Homework Level: 0                | 1st  | <i>Little Bookworms</i>                                     | \$10   | Reading is the foundation of all learning! In this class, students will enjoy hearing exciting stories on various topics. Comprehension, art, music, and play will complete the fun.   |   |
| 4k-1 <sup>st</sup><br>Class Size: 10<br>Homework Level: 0                | 2nd  | <i>Learning Adventures</i>                                  | \$25   | Curriculum will incorporate basic learning objectives relevant to age range.   |   |
| 2nd-4 <sup>th</sup><br>Class Size: 10<br>Homework Level: 0               | 1st  | <i>Lab Rats Science</i>                                     | \$15   | Students will love investigating and discovering the wonders of God's amazing world in this class. Zoology, anatomy, biology, and astronomy are just some of the areas these young scientists will experiment with during this exciting hour.  |   |
| 2nd-4 <sup>th</sup><br>Class Size 10<br>Homework Level: 0                | 2nd  | <i>Wonderfully and Artfully Made</i>                        | \$25   | Students will create artwork using a variety of artistic processes, mediums, and materials. They will determine messages communicated by an image, and revise personal artwork on the basis of insight gained through peer discussion.   |   |
| 5 <sup>th</sup> -8 <sup>th</sup><br>Class Size: 10<br>Homework Level: 1  | 1st  | <i>Exploring Creation with Human Anatomy and Physiology</i> | \$25   | All creation is awe-inspiring, but the work of the human body, created in the very image of God, is especially jaw-dropping! This study of anatomy and physiology showcases the intricacy and design of the human body, from DNA and cell creation to the skeletal, muscular, digestive, respiratory, cardiovascular, nervous/endocrine, immune, and integumentary systems. Integrated with health and nutrition information, as well as plenty of scripture and biblical application. Experiments, note booking assignments, narration, and a "personal person project" provide interaction with concepts outside of reading, and help to solidify understanding. |   |
| 5 <sup>th</sup> -12 <sup>th</sup>  | 1st  | <i>IEW-Structure and Style</i>                              | \$15   | Students will begin an impactful journey towards excellent and interesting writing. Novice and experienced writers alike will benefit from the structure and styles taught in this class.  |   |
| 9 <sup>th</sup> -12 <sup>th</sup><br>Class Size: 10<br>Homework Level: 1 | 2nd  | <i>Elements of Public Speaking</i>                          | \$15   | A necessary skill for life - just sometimes not the most enjoyable subject to study. But this class is different! Students will learn the 3 basic elements of speaking before a group- Words, Voice, and Body Language, and they will do it through fun, engaging exercises.   |   |

**\*\*Basic supplies are not supplied: Book bags, notebook paper, crayons, pencils, markers, colored pencils, and school glue.**

**Homework Levels: 0 - No Homework; 1 - 1 -2 hours of homework per week**

## Tenative Spring Co-op

| Grades   | Hour        | Class   | *Cost | Description  | Additional Information  |
|--|-------------|---|-------|--|---|
| NA   | 10:00-11:00 | <i>Nursery</i>  | \$0   | Supervision/care of babies/toddlers  | Moms not teaching or assisting in a class will be assigned to Nursery |
